FROM: Lowell W. Williams, Acting Superintendent
U. S. Naval Postgraduate School
Monterey, California

Your Spdltr Op-923T Ser: 3779P92 of 17 March 1960 requests comments concerning orientation lectures by Central Intelligence Agency speakers.

It is believed that the proposed lectures would be of considerable interest to the personnel at this School provided the topics covered were timely, appropriate and interesting.

The possibility of a lecture series of some thirty to forty lectures is being investigated for the academic year commencing August 1960. It is quite possible that the proposed CIA lecture would fit into the series. In such an event, a request for the services of a CIA lecturer will be submitted.
